the Revenue Commissioner in Mysore, in the matter.

2 Correspondence ending with U. O. Note No. C. 1835 A—30-31, dated 20th May 1932, from

ORDER No. R. 6251-60—L. R. 466-31-1, DATED BANGALORE, THE 30TH JUNE 1932..

Instances have come to the notice of Government in which the rates of special assessment levied on lands appropriated for non-agricultural purposes prior to the issue of Government Order of 11—14th February 1929 are different from those fixed in the said order. The Revenue Commissioner, who was consulted in the matter, is of opinion that the special assessments levied prior to the issue of Government Order of 11—14th February 1929, may be enhanced with effect from 1929-30, so as to be in conformity with the rates prescribed in the order referred to above, as no guarantee has been held out under Section 112 of the Land Revenue Code that the rate once fixed is for any term or in perpetuity. Government accept the Revenue Commissioner's view and are pleased to approve of the recommendation made in this connection.
